## Summary

Design driven Web Developer ready to contribute to a purpose-driven organization or project with my empathetic communication skills and proven track record of learning new technology quickly.

## Technical Skills

Front end - Javascript, React.js, Wordpress, HTML5, CSS, SASS, JQuery and numerous libraries

Backend - Node.js, Express.js, AWS, S3, MongoDB, Mongoose, SQL

## Highlighted Projects

**Tableau** - <https://the-tableau-app.herokuapp.com>

- Instagram clone built over 4 days
  - Technical stack: React.js/Redux, Node.js, Express.js, AWS, S3, MongoDB, Mongoose, Styled Components, Material UI, Heroku, Mlab

**GongFuTea** - <http://gongfutea.org>

- Open source project providing an interactive map and user-curated database for lovers of Chinese tea preparation
  - Technical stack: Mobile-first, Javascript, Node.js, Express.js, Google Maps API, PostgreSQL, TDD, MVC, JQuery, Heroku, HerokuDB

## Education

**Full-Stack Javascript course, 2017** - Code Fellows, Portland, OR (recently rebranded as Alchemy Code Labs) 2017

- Completed a full-time, 18 week development course; learned modern programming technologies using Industry-standard tools and software with a strong focus on pair-programming and team projects
- Focused study on mobile-first, responsive web design, test-driven development, clean code, modular, re-usable site elements, best practices, and semantic HTML with consideration for accessibility

**Bachelor of Arts** - Naropa University, Boulder, CO 2015

## Selected Experience

**Contract** - Enterprise for Youth 2017-current

- Routine site maintenance to wordpress site. Updating stylesheets, site structure, UI/UX design as well as improving mobile-responsiveness of entire site.

**Contract** - Quantitea 2017-current

- Created a 'flavor wheel' interface for customers to use as a guide for tasting and purchasing teas
- Designed UI/UX features and integrated into pre-existing Shopify e-commerce site
  - Technical Stack: React.js, Node.js, Express.js, MongoDB, Mongoose, Styled Components, Heroku, Mlab

**Freelance Videography and Photography** 2013-2016

- Produced a film entitled : "Flow Arts - A Film" ([flowartsafilm.com](http://flowartsafilm.com)) as well as promotional videos and photos for artists, small businesses, events, and interior designers

**Specialty Tea Purveyor and Expert** 2009-current

- Founder and sole administrator of Gong Fu Cha Facebook page; over 2,500 members in 8 months
- Founder of specialty tea import business Steady Hand Tea (2015-current)

**Movement Arts Instructor and Performer** 2009-2016

- Internationally recognized juggling arts teacher and performer; invited to teach at events internationally.
- Performer and instructor for Spark Circus, a social circus program working with Burmese refugee children
